

2021 REDISTRICTING COMMITTEE PUBLIC MAP SUBMISSION PARAMETERS

To facilitate the public map submission process, the Legislature is partnering with Dave's Redistricting App (DRA), a free redistricting mapping resource that Oklahomans can utilize to engage in the redistricting process and try their hand at drawing redistricting maps.

Submissions are required to adhere to the following parameters.

1. Must be a statewide plan for five Oklahoma congressional districts.
2. Must be an Oklahoma resident to submit a map.
3. Limit one congressional plan submission per person.
4. Must conform to House and Senate adopted redistricting guidelines for 2021 (i.e. no individual district population shall deviate more than 0.5%. This is considered a guideline. The adopted plan will strive for 0% deviation between districts).
5. Plans must be submitted in a compatible electronic format (i.e. linked URL for maps drawn through the DRA platform and/or block equivalency file if plans were drawn using another free or commercially available redistricting software).
6. Please email submission to redistrictoklahoma2020@okhouse.gov or redistricting@oksenate.gov with the following:
 - Name
 - Organization (if applicable)
 - Contact information (phone, email, address)
 - Statement that summarizes the values/criteria that you prioritized while drawing your map
 - URL link to your map from Dave's Redistricting App, block assignment file and any other supporting documents you would like to include.
7. The House State and Federal Redistricting Committee and Senate Select Committee on Redistricting will hold a joint meeting to consider public map submissions for congressional district plans.
