

STATE OF OKLAHOMA
HOUSE of REPRESENTATIVES

Redistricting Public Meeting Schedule 2020-2021

The House Redistricting Committee and its subcommittees will be holding a series of town halls throughout the state in December and January to encourage public input in the redistricting process. By law, the Legislature must redraw its districts and congressional boundaries to reflect changes in population every 10 years, immediately following the decennial census. The meetings are open to anyone who would like to attend, but are not the only chance for public comment. All Oklahomans are encouraged to contact their state representative or email the House Redistricting Office at redistrictoklahoma2020@okhouse.gov to provide feedback on communities of interest, local preferences and other thoughts on the redistricting process. Redistricting town halls will be livestreamed as facilities allow, recorded and posted online. House livestreams can be accessed here: <https://okhouse.gov/Video/Default.aspx>
